Mr. Henry Spira  
1 West 85th Street  
New York, New York 10024

Dear Henry:

I know you tried to reach me after our annual meeting last week, and I want to assure you that we understood the concerns you expressed.

I've reviewed this issue again with our top management team and we are committed to giving it immediate priority. I'm sure Barbara will be in touch with you in the next few days with a status report.

Sincerely,
